

Waiver/Release

**Must be signed before mailing*

I know that running is a potentially hazardous activity, and I should not enter unless I am medically able and properly trained. I assume all risks associated with running in this event including, but not limited to: falls, contact with other participants, the effects of weather, and the conditions of the course - all such risks being known and appreciated by me. Having read this waiver and knowing the facts, and in consideration of your accepting my entry, I, for myself and anyone else acting on my behalf, waive and release and indemnify the Race for the Children, The City of Lewisville, The Lewisville Masonic Lodge, plus all sponsors, their representatives and assignors, from all claims and liabilities of any kind arising out of my participation in this event or any related activities, even though such liability may arise out of negligence or carelessness on the part of any persons named in this waiver. I also agree to allow the use of any photographs taken to be used for promotional purposes.

As we enter into our fifth year with "Race for the Children", we are proud to say that last year's race was a tremendous success, in spite of the hurricane. We increased participation in both sponsors and race participants and were able to give \$3,000 to the LISD Education Foundation and \$4,000 to the Texas Scottish Rite Hospital for Children.

The Texas Scottish Rite Hospital for Children is a world leader in the treatment of pediatric orthopedic conditions, as well as certain related neurological disorders and learning disorders, such as dyslexia. It strives to improve the care of children worldwide through innovative research and teaching programs by training physicians from around the world.

The efforts of the Scottish Rite Hospital for Children to help these kids; never charging a single penny, is certainly worthy of our support. For more information about the Hospital, you may visit their web site at: tsrhc.org.

Texas Scottish Rite Hospital for Children is one of the nation's leading pediatric centers for the treatment of orthopedic conditions, certain related neurological disorders and learning disorders, such as dyslexia. There is no charge to patient families for treatment at the hospital, and admission is open to Texas children from birth to 18 years of age. For more information, to volunteer or to make a donation, please call (214) 559-5000 or (800) 421-1121 or visit: tsrhc.org.
