Corpus Christi Storm Sufferers!

3000 People were made Homeless and Millions of Dollars worth
of Property is Destroyed.

BRETHREN;

All over Texas has gone the sad and affecting news of the destructive storm at Corpus Christi, and distress and desolation are upon that beautiful little City, many are dead and 3000 are made homeless and need help now.

You have been so faithful to meet every call that has been made upon you I feel no hesitancy in now doing so again, for you responded nobly to the Galveston Storm Sufferers and also to the Paris Fire Sufferers.

Therefore I, A. A. Ross, Grand Master of the Masons of Texas do issue this appeal to the Lodge and members of our fraternity for relief and assistance to the destitute and grief stricken sufferers of that little City. I will not advise any amount but leave that matter entirely to your own conscience and good judgment; but what you do, DO IT NOW.

Send all donations to Brother W. B. Pearson, Grand Secretary, Waco, Texas, and mark it plainly Corpus Christi Storm Sufferers, and he will issue proper receipts promptly and see that the donor gets proper credit in the Proceedings of 1919.

Let us thank the GREAT ARCHITECT of the UNIVERSE that we are not suffering as they, and respond nobly.

Sincerely and fraternally yours,

A. A. ROSS,
Grand Master.

Attest:

W. B. PEARSON,
Grand Secretary.
