September 15th, 2012

As we enter into our eighth year with "Race for the Children," we are proud to say that last year's race was a tremendous success. Since its inception, our race has contributed over \$25,000 to the Texas Scottish Rite Hospital for Children (TSRHC) and the Lewisville Education Foundation.

Texas Scottish Rite Hospital for Children is a world leader in the treatment of pediatric orthopedic conditions, as well as certain related neurological disorders and learning disorders, such as dyslexia. It strives to improve the care of children worldwide through innovative research and teaching programs by training physicians from around the world.

The efforts of the TSRHC to help teach children, regardless of the family's ability to pay, is certainly worthy of our support. For more information about [TSRHC](http://www.tsrhc.org) and the [LEF](http://www.lisdef.com), you may visit their web sites at: www.tsrhc.org & www.lisdef.com.

Texas Scottish Rite Hospital for Children is one of the nation's leading pediatric centers for the treatment of orthopedic conditions, certain related neurological disorders, and learning disorders, such as dyslexia. Admission is open to Texas children from birth to 18 years of age. Patients receive treatment regardless of the family's ability to pay. For more information, to volunteer or to make a donation, please call (214) 559-5000 or (800) 421-1121 or visit: www.tsrhc.org.
