

Lewisville Education Foundation Gala a Success

The Lewisville Education Foundation gala was a great success thanks to the generosity of donors and benefactors who enabled LEF to present more than 250 scholarships, valued at over \$150,000 to members of Lewisville ISD's class of 2015. Six LISD employees were also honored with fellowships to assist them as they continue their education. In its 25 years, LEF has awarded 2,767 scholarships, totaling \$1,693,865 to graduating seniors, and 71 fellowships totaling \$36,000 to LISD employees.

Golf Classic Supports Students and Teachers in Lewisville

Golfers from around the community joined forces in April to support the students and teachers of Lewisville Independent School District through the Lewisville ISD Education Foundation's Seventh Annual Golf Classic. More than 200 golfers enjoyed a round of golf, lunch, door prizes, and a hole-in-one contest that resulted in one golfer winning a new car. LISD hospitality students assisted with event details, and student athletes from LISD's high school golf teams played among the event sponsors and donors. Funds raised through the Golf Classic will further LEF's mission of changing the lives of children via teacher grants and student scholarships.
